

SOCIAL MEDIA MANAGER

*Grow, engage & sustain your target audience with our **SEC Compliant** social media solution.*

Our turnkey SEC Compliant Social Media Manager ensures that best practices are used to protect your company.

Before any of our projects start, we conduct a thorough audit of your online presence and social profiles to ensure SEC Compliancy. Once the audit is complete, we work with your company to complete the 3-month **Social Media Manager** program at only \$1,000/month.

Upon completion, your new social media presence is optimized and the program is continued to build your network and engage with your target audience for as long as you like.

Contact us today for your free social media SEC Compliancy audit.
